Received, thank you, Dahnish.

Michelle Cawley (our senior librarian) and I are attending SOT but we could probably find a time to have call tomorrow (Wednesday) or Friday if you are in a rush? Thursday is tied up because we are both traveling home much of the day. If not a rush, we can look to early next week when we are back in the office if that is ok with you and the Formaldehyde team.

Thank you,  
Kim
